For Juli, that just wasn't going to work. We all understand that cavemen didn't eat cake back in the day, but we're here in the future, and we can create Paleo-friendly cakes. She has been eating Paleo for five years now, and she consistently gives her readers Paleo recipes that bring back childhood meal memories or just bring back the foods they love the most. There's no need to be a true, pretentious caveman if you don't have to be! We see you using Instagram over there, you modern caveman, you. Paleo is about so much more than just food. To Juli, Paleo is what gave her the freedom to feel healthy, energetic, and enthusiastic about life. And that's exactly what she is trying to bring to you in this cookbook. She hopes not only to help you revamp your kitchen and excite your taste buds, but also to help you feel confident with the new lifestyle you've taken on.

The Zero-Waste Chef Anne-Marie Bonneau 2021-04-13 A sustainable lifestyle starts in the kitchen with these use-what-you-have, spend-less-money recipes and tips, from the friendly voice behind @ZeroWasteChef. In her decade of living with as little plastic, food waste, and stuff as possible, Anne-Marie Bonneau, who blogs under the moniker Zero-Waste Chef, has learned that "zero-waste" is above all an intention, not a hard-and-fast rule. Because, while one person eliminating all their

waste is great, if thousands of people do 20 percent better it will have a much bigger impact on the planet. The good news is you likely already have all the tools you need to begin to create your own change at home, especially in the kitchen. In her debut book, Bonneau gives readers the facts to motivate them to do better, the simple (and usually free) fixes to ease them into wasting less--you can, for example, banish plastic wrap by simply inverting a plate over your leftovers--and, finally, the recipes and strategies to turn them into more sustainable, money-saving cooks. Rescue a loaf from the landfill by making Mexican Hot Chocolate Bread Pudding, or revive some sad greens to make a pesto. Save five bucks (and the plastic tub) at the supermarket with Yes Whey, You Can Make Ricotta Cheese, then use the cheese in a galette and the leftover whey to make sourdough tortillas. With 75 vegan and vegetarian recipes for cooking with scraps, creating fermented staples, and using up all your groceries before they become waste--including end-of-recipe tips on what to do with your ingredients next--Bonneau lays out an attainable vision of a zero-waste kitchen.

The 21-day Sugar Detox Diane Sanfilippo 2013-10-29 SUGAR IS TAKING OVER OUR LIVES. But why? And is it only those sweet, refined white crystals that are causing us problems, or could there be more to the story? Let's be honest: The problem isn't just sugar itself. It's the refined, nutrient-poor carbohydrates that carry tons of calories but no real nutrition. In our world, these are the easiest foods to grab on the go, but they leave us fat, sick, tired, and downright unhappy. The effect that sugar, "hidden" carbs, and refined, processed foods have on our bodies goes far beyond our waistlines. We can't focus, we can't sleep, we have irrational mid-afternoon cravings, and we can't even make it through the day without wanting--or needing--to prop up our energy levels with caffeine or even more sugar! What can we do to break free from this cycle? The 21-Day Sugar Detox is here to help. The 21-Day Sugar Detox is a clear-cut, effective, whole-foods-based nutrition action plan that will reset your body and your habits! Tens of thousands of people have already used this groundbreaking guide to shatter the vicious sugar stronghold. Now it's your turn! Use the easy-to-follow meal plans and more than 90 simple recipes in this book to bust a lifetime of sugar and carb cravings in just three weeks. Three levels of the program make it approachable for anyone, whether you're starting from scratch or from a gluten-free, grain-free, and/or Paleo/primal lifestyle. The 21-Day Sugar Detox even includes special modifications for athletes (endurance, CrossFit, HIIT-style, and beyond), pregnant/nursing moms, pescetarians, and people with autoimmune conditions. What you'll experience on this program will be different from a lot of other "diet" programs out there that promote extremely restricted eating; encourage you to consume only shakes, juices, or smoothies; or rely heavily on supplements and very-low-calorie or very-low-fat diets to ensure success. The goal of any detox program should be to support your body in naturally cleansing itself of substances that create negative health effects--and that's exactly what The 21-Day Sugar Detox does. By focusing on quality protein, healthy fats, and good carbs, this program will help you change not only the foods you eat, but also your habits around food, and even the way your palate reacts to sweet foods. You'll likely complete the program and continue eating this way much of the time thereafter because you'll feel so amazing. After changing your everyday eating habits, you will begin to gain a new understanding of how food works in your body--and just how much nutrition affects your entire life. There's no reason to wait!
