Night Film Marisha Pessl, 2013-08-20 On a damp October night, the body of young, beautiful Ashley Cordova is found in an abandoned warehouse in lower Manhattan. By all appearances her death is a suicide--but investigative journalist Scott McGrath suspects otherwise. Though much has been written about the dark and unsettling films of Ashley's father, Stanislas Cordova, very little is known about the man himself. As McGrath pieces together the mystery of Ashley's death, he is drawn deeper and deeper into the dark underbelly of New York City and the twisted world of Stanislas Cordova, and he begins to wonder--is he the next victim? In this novel, the dazzlingly inventive writer Marisha Pessl offers a breathtaking mystery that will hold you in suspense until the last page is turned.

Radical Acceptance Tara Brach, 2004-11-23 The life-changing guide to finding freedom from our self-doubt through the revolutionary practice of Radical Acceptance from the renowned meditation teacher, psychologist, and author—now revised and updated with a new introduction and an in-depth guide to the author's signature mindfulness techniques. "Radical Acceptance offers us an invitation to embrace ourselves with all our pain, fear, and anxieties, and to step lightly yet firmly on the path of understanding and compassion."—Thich Nhat Hanh "Believing that something is wrong with us is a deep and tenacious suffering," says Tara Brach at the start of this illuminating book. This suffering emerges in crippling self-judgments and conflicts in our relationships, in addictions and perfectionism, in loneliness and overwork—all the forces that keep our lives constricted and unfulfilled. Radical Acceptance offers a path to freedom, including the day-to-day practical guidance developed over Dr. Brach's forty years of work with therapy clients and Buddhist students. Writing with great warmth and clarity, Tara Brach brings her teachings alive through personal stories and case histories, fresh interpretations of Buddhist tales, and guided meditations. Step by step, she shows us how we can stop being at war with ourselves and begin to live fully every precious moment of our lives.

struggling to build a new life amid the complexities of the contemporary South. A Question of Duty Martin McDowell, 2014-06-16 A story set in the time of Nelson's Navy. England rules the waves, but the French Navy yet remains a potent threat, especially their own powerful frigates. Also, another threat is creeping Northward; slaver/pirates in fast galleys from the North African coast, raiding North to capture for slavery the highly valuable women and children of Northern Europe. Into this, Captain Reuben Argent sails his first command, HMS Ariadne, which he brilliantly uses to capture La Mouette, a French 42 gun frigate. An auspicious start, but all is not well at home. The Enclosures movement could force his family from their farm, and his influential Admiral is their immediate neighbour, who hates the Argent family. On top is Argent's rivalry with Flogger Cheveley the Captain of the frigate Herodotus. The day comes when Argent has to make a career threatening choice, either, as ordered, to take a vital despatch to Wellington at the fastest possible speed or search for the slaver that has just captured Cornish women and children, including members of his own family. In the background is the smuggling of linen from Ireland to France and his relations with the feisty Sinead Malley and the society beauty Charlotte Willoughby.

In *The Ideal Team Player*, Lencioni tells the story of Jeff Shanley, a leader desperate to save his uncle's company by restoring its cultural commitment to teamwork. Letty Carmichael can't believe her eyes when she catches a glimpse of her high school tormenter, wrestling champ Tate Sullivan, on campus. College was supposed to be her escape from Tate's constant ridicule. Now he's in her classes again, just waiting for his chance to make her life hell. But when Letty and Tate are partnered up for an assignment—on sex in cinema, of all things—she starts to see a kinder, gentler side of him. And when she realizes Tate knows more about sex than she could ever guess at, he soon starts making her blush in a whole new way. Tate Sullivan is haunted by regret over his cruelty toward Letty. So when she agrees to work with him, he seizes his chance to make amends. He can't blame her for not believing he's for real, but soon Tate starts to break down her wall. She wants to know about passion,

desire, lust—topics he is well versed in. And in return she offers the one thing he always wanted: the chance to be more than just a jock. Letty is shocked by how sensitive Tate can be. Still, desiring him feels ludicrous. Loving him is impossible. Craving him is beyond all reason. So why can't she stop?
