## John Chambers

**Killing Rage** Eamon Collins, Mick McGovern, 1998 Since the 1970s people have been murdering their neighbours in Northern Ireland. This book is the true account of the small-town violence and terror which lies behind the headlines.

People and Portrait Photography Hargrave. Sean, Sean Hargrave, 1996 Offers techniques for framing, lighting, and posing photographic portraits of individuals and groups taken with auto-focus 35mm cameras

The Dirty War Martin Dillon, 2012-10-26 \_\_\_\_\_ 'This excellent book demands the attention of anyone concerned about civil liberties in the United Kingdom' Guardian 1969 was a year of rising tension, violence and change for the people of Northern Ireland. Rioting in Derry's Bogside led to the deployment of British troops and a shortlived, uneasy truce. The British army soon found itself engaged in an undercover war against the Provisional IRA, which was to last for more than twenty years. In this enthralling and controversial book, Martin Dillon, author of the bestselling *The Shankill Butchers*, examines the roles played by the Provisional IRA, the State forces, the Irish Government and the British Army during this troubled period. He unravels the mystery of war in which informers, agents and double agents operate, revealing disturbing facts about the way in which the terrorists and the Intelligence Agencies target, undermine and penetrate each other's ranks. *The Dirty War* is investigative reporting at its very best, containing startling disclosures and throwing new light on previously inexplicable events.

**Proved Innocent** Gerry Conlon, 1990 The story of Gerry Conlon of the Guilford four, who walked away from the British

courts, cleared after fifteen years, of charges of murder.; This title is also available as a film - In the name of the Father\_\_\_\_  
Two Ulsters Liam Kennedy,1986

*The Journeyman Tailor* Gerald Seymour,2013-11-21 HEAR NOTHING. SEE NOTHING. KNOW NOTHING. This is the ruthless motto in the Provisional IRA's most active brigade. To collaborate with British Intelligence means certain death. But there is a rumour that an informer is operating within the Brigade. When identified he will be ruthlessly interrogated, tortured, then shot. The MI5 agents running the informer must protect their man at all costs: he is their most critical asset, and they must keep him in place, even if that means innocent people must die.

**A Record of Constructive Change** Great Britain. Northern Ireland Department,1971 Statement issued in response to criticism that the Government of Northern Ireland has failed to honour its obligations under the Downing Street Declaration of August 1969.

*Crimes of Loyalty* Ian S. Wood,2006-05-19 Sectarian murder, torture, bloody power struggles and racketeering are what for many define their image of the Ulster Defence Association. Yet as Northern Ireland's Troubles worsened in 1971 and 1972, it emerged with a mass membership to defend Loyalist areas against the IRA and to uphold the Union with Britain. By 1974 it was able to defy the will of an elected government and it went on to formulate political strategies for working-class Loyalism.Ian S. Wood uses his specialist knowledge as well as extensive interviews to recount these events and the ruthless war waged by the UDA on the nationalist community. He explores issues such as the UDA's descent into criminality and its relationship with the 'secret war' conducted by Britain's undercover services and he assesses what impact the organisation had on the outcome of Europe's worst political and ethnic conflict between 1945 and the break-up of the Soviet Union and Yugoslavia after 1990.

**A Belfast Child** John Chambers,2020-09-03 John Chambers was brought up on Belfast's notorious Loyalist Glencairn estate, during the height of the Troubles. From an early age he witnessed violence, hatred and horror as Northern Ireland tore itself apart in civil strife. Kneecapping, brutal murders, and even public tarring-and-feathering were simply a fact of life for the children on the estate. He thought he knew which side he was on, but although raised as a Loyalist, he was hiding a troubling secret: that his disappeared mother - whom he'd always been told was dead - was a Roman Catholic, 'the enemy'. In a memoir of rare power, John explores the dark heart of Northern Irish sectarianism in the seventies and eighties. With searing honesty and native Belfast wit, he describes the light and darkness of his unique childhood, and his teenage journey through mod culture and ultra-Loyalism, before an escape from Belfast to London - where, still haunted by the shadow of his fractured family history - he began a turbulent and hedonistic adulthood. *A Belfast Child* is a tale of divided loyalties, dark secrets and the scars left by hatred and violence on a proud city - but also a story of hope, healing and ultimate redemption for a family caught in the rising tide of the Troubles.

**The Long War** Brendan O'Brien, 1995 The Long War is a timely book, given the ongoing events taking place in Northern Ireland. It chronicles the very active history of the relationship among the IRA, Sinn Fein, and the British government from the early 1980s to today. The author has spoken with many of the participants on all sides and has included material that updates the book right up to the latest peace talks.
