Caroline G. Nuttall

Big Fish Caroline G. Nuttall, 2022-01-03 Nationally award-winning magazine publisher, speaker and entrepreneur Caroline G. Nuttall offers a new and vital brand-building strategy in her first book, BIG FISH.

Junk Gypsy Jolie Sikes, Amie Sikes, 2016-10-04 New York Times bestseller In their first book, the Junk Gypsies—sisters and stars of the popular Texas-born brand and HGTV show—combine big dreams, stories of roadside treasures found, and down-home design projects inspired by epic makeovers for friends like Miranda Lambert, Billie Joe Armstrong, and Sadie Robertson. Amie and Jolie Sikes, the Thelma and Louise of the design world, are the Junk Gypsies: a family with an addiction to flea markets, wanderlust, and Americana inspired design. In their world, cowgirls are heroes, road trips last forever, and junk is treasured. Beginning with a little bit of faith and a whole lot of heart and soul, the sisters travelled the back roads of America like gypsies, collecting roadside trinkets and tattered treasures while meeting kindred spirits and lively characters along the way. With a mix of hippie, rock n' roll, southern charm, and big dreams, these small-town Texas girls became restless wanderers and owners and operators of their dream business and bohemian brand, Junk Gypsy. Filled with stories from their unique journey as well as DIY projects and bohemian inspired designs, Junk Gypsy is a tribute to all the rowdy gypsies, crafty junkers, free-spirited romantics, and true-blue rebels who have ever dared to dream big.

Tiny Business, Big Money: Strategies for Creating a High-Revenue Microbusiness Elaine Pofeldt, 2022-02-15 An entrepreneur's complete guide to making it big while keeping things small. Small business specialist Elaine Pofeldt offers her blueprint for getting a running start with your microbusiness—that is, a business with no more than 20 employees, including yourself. Following her previous book, *The Million-Dollar, One-Person Business*, Pofeldt gives readers the steps toward their next entrepreneurial venture, including testing an idea's market viability while limiting risk, finding cash without giving up control, protecting your personal time and avoiding burn out, and knowing when it is time to start micro-scaling. Pofeldt's focus is always on staying lean financially so that you can achieve your personal goals on an average person's budget. In this book, Pofeldt profiles nearly 60 microbusinesses that have all reached \$1 million in annual revenue without losing control or selling out. *Tiny Business, Big Money* also includes the results of a survey with the founders of 50 seven-figure microbusinesses that got to \$1 million with no payroll or very small teams, which provides deeper visibility into their shared principles of success that you can apply to your own small business.

Section three provides advice on how to mix and match colours to dramatic effect.

Unlocked Jane Finette, 2021-11-30 According to the World Economic Forum, women lost thirty-six years of progress in 2020 alone, due to the COVID-19 pandemic. That's an entire generation lost. We are living in a world where women still need to fight for access to capital, voice, opportunity, skills, and more. Yet, once unlocked, women hold the key to realizing the true potential of our global society. Author Jane Finette's debut book, *Unlocked - How Empowered Women Empower Women*, is a collection of real-world short stories that highlight impactful accounts of incredible female leaders working to propel women and girls forward. Part inspiration, part practical guide, *Unlocked* demonstrates how these pioneers are creating lasting change, and how you can apply their trailblazing lessons to your life. Finette's expert insights show that although the problems and challenges can seem insurmountable, global positive change is being fueled every day by women everywhere. *Unlocked* was written to encourage and empower women to take action into their own hands, and reach gender equality in our lifetime. When we lift another woman, we all rise!
