Beautifully Insightful K. C. Lynn, 2015-01-09 Emily Michaels ~ Have you ever felt like you didn't belong? Like you never fit in, or you weren't good enough? This is how I have felt for as long as I can remember. I see the world differently than everyone else, I feel everything differently and I reflect on life differently. And being different in my world is not a good thing. I live in a place that's divided between the rich and the poor, the beautiful and the unbeautiful, the prestigious and the mediocre. I have always belonged in the first category, because my father was the Governor of Georgia. ... Ryder Jameson ~ After working my ass off I am given the opportunity of a lifetime, and if I pull it off I will be the youngest FBI agent to run one of the biggest undercover operations in history. Only the case that gets thrown in front of me leads me back to the one place I swore I would never return to, and to the only girl who's ever mattered to me. Except Emily Michaels is not the same girl I left behind. She still looks the same, she's still beautiful inside and out, but there's one thing that's very different about her, one very big thing, and it's something I didn't think was possible.

*The Dude Diet* Serena Wolf, 2016-10-25 From chef and creator of the popular food blog *Domesticate-Me.com*, 125 outrageously delicious yet deceptively healthy recipes for dudes (and the people who love them), accompanied by beautiful full-color photography. Dudes. So well intentioned when it comes to healthy eating, even as they fail epically in execution—inhaling a salad topped with fried chicken fingers or ordering their Italian hero on a whole wheat wrap (that makes it healthy, right?). There are several issues with men going on diets. First, they seem to be misinformed about basic nutrition. They are also, generally, not excited about eating health food. You can lead a dude to the salad bar, but you can't make him choose lettuce. Enter Serena Wolf—chef, food blogger, and caretaker of a dude with some less than ideal eating habits. As a labor of love, Serena began creating healthier versions of her boyfriend's favorite foods and posting them on her blog, where she received an overwhelming response from men and women alike. Now, in *The Dude Diet*, Serena shares more than 125 droolworthy recipes that prove that meals made with nutrient-dense whole foods can elicit the same excitement and satisfaction associated with pizza or Chinese take-out. *The Dude Diet* also demystifies the basics of nutrition, empowering men to make better decisions whether they're eating out or cooking at home. Better still, each recipe is 100% idiot-proof and

requires only easily accessible ingredients and tools. With categories like Game Day Eats, On the Grill, Serious Salads, and Take Out Favorites, The Dude Diet will arm dudes and those who love them with the knowledge they need to lead healthier, happier lives—with flattened beer bellies and fewer meat sweats. The Dude Diet includes 102 full-color photographs.

*Lissy's Friends* Grace Lin, 2007 Lissy is the new girl at school and very shy, so she makes origami friends to keep her company.

**I See You** D. H. Sidebottom, Ker Dukey, 2015-07-12 This is a DARK novel, 18 only. Standalone title. I watch you, I see you in ways no one else can, and through my lens I create a life of you for someone to dissect. I capture you in your vulnerability; that smile, your laugh, those tears. I document you and sell your secrets. When I watch you through my lens you're mine until I pass you to the buyer. I, like most people, have a fetish for pretty things and in my job I get to be around a lot of pretty things. They pay me to watch them and capture them in a frame for many purposes, and sometimes I like my profession a little more than I should. I took a job to capture her... I wanted to capture and keep her in more than just the image. This time I will take myself away from the lens and become the client because I cannot resist her, she reminds me too much of my first, I need to have her. Traumatized from a vicious attack, Nina Drake finds herself shut off from the world until her neighbour brings her out of more than just her nightmares. Even after moving and changing her name, she still can't shake the feeling of being watched. The memories are so close. And so is the shadow of the creator of them all
