Richard Estes: Voyages Jason Beard, 2022-03 A concise selection of Photorealist gems from a celebrated veteran of the genre Based in Maine and New York, Richard Estes (born 1932) is a pioneer of Photorealist painting and its most devoted and accomplished practitioner. His work is defined by a profound commitment to the quotidian truths of his depictions. Over the last half century, the rare integrity of his creative process has unveiled a rich understanding of the world around us, even as our cities, our landscapes and our rituals change--slowly and steadily, then all at once. Richard Estes: Voyages accompanies the artist's first UK retrospective at Newport Street Gallery, London, and presents a broad selection of more than 45 paintings made over the last 30 years, from his timeless, pristine depictions of New York City to his lesser-known paintings made following trips to Europe, Asia, Africa and Antarctica. The book includes a conversation between Estes and Hans Ulrich Obrist, and features an essay by curator Patterson Sims.

Philip Guston Robert Storr, 2020-05-19 An authoritative and comprehensive survey of the life and work of the visionary and influential painter Philip Guston. Driven and consumed by art, Philip Guston painted and drew compulsively. This book takes the reader from his early social realist murals and easel paintings of the 1930s and 1940s, to the Abstract Expressionist works of the 1950s and early 1960s, and finally to the powerful new language of figurative painting, which he developed in the late 1960s and 1970s. Drawing on more than thirty years of his own research, the critic and curator, Robert Storr, maps Guston's entire career in one definitive volume, providing a substantial, accessible, and revealing analysis of his work. With more than 800 images, the book illustrates Guston's key works and includes many unpublished paintings and drawings. An extensive chronology, illustrated with photographs, letters, articles, publications, and other ephemera drawn from the artist's archives and other sources, contextualizes Guston's life and provides in-depth coverage of his life at home, his work in the studio, his relationship with fellow artists and his many exhibitions. Guston was able to speak about art with unrivalled passion and fluency. In celebration of this, the book features Guston's own thoughts on his drawings and his great heroes of the Italian Renaissance.

Drawn Together Aline Crumb, R. Crumb, 2012-10-02 Rumored for years, *Drawn Together* finally charts the daily exploits and erotic craziness of this “First Couple” of comics. Who could have imagined that in 1972, when Aline Kominsky, a Long Island escapee and bodaciously talented artist, broke her foot one rainy fall day, it would result in the most unique collaboration in comics history? Laid up in her house, she was persuaded by R. Crumb, her nerdy, neurotic boyfriend, to pass the time drawing together a “two-man” comic. The result is a jaw-dropping yet tender account, not only of the joys and challenges of a legendary marriage but also of the obstacles faced by struggling female artists. In *Drawn Together*, our foremost male-female cartooning couple recall their success at shocking America with *Weirdo Magazine*, the life-altering birth of their precocious daughter Sophie, and their astonishing move to the safe haven of France. With an irresistible introduction and a striking four-color section, *Drawn Together* becomes a graphic cause-célébre and a must-have for any comics devotee.

The Complete Dirty Laundry Comics Aline Kominsky-Crumb, R. Crumb, Sophie Crumb, 1993 *The Complete Dirty Laundry Comics* collects the two issues of *Dirty Laundry Comics* as well as other comics that were collaborations between Robert Crumb and his wife Aline Kominsky-Crumb. Against the backdrop of the wild 1970s, the Crumbs appear as themselves in autobiographical vignettes. They wander through various situations ranging from the banal (Aline complaining that she doesn't draw as well as Robert) to the extreme (Robert shoving Aline's face into a pool of vomit). While both of these artists share an almost unrelenting frankness, they each have unique personalities and art styles.

Francis Bacon Peyré Yves, 2020-11-30 - A thoroughly illustrated monograph of Francis Bacon by a personal friend of the artist- An exceptional collection of Bacon imagery, reproduced to the highest quality- Approximately 160 images, including major works such as *Three Studies for a Crucifixion*, assembled in a beautifully designed book- Biographical information presented alongside in-depth art analysis- An intimate insight into the life and work of Francis Bacon, written by Yves Peyré, a close friend of the artist. This comprehensive monograph details Bacon's artistic journey, from his early design work in the 1920s to his disturbing, emotive triptychs of the 1980s. Tormented, twisted, and jarringly dissonant, Bacon's divided vision of the world swung between civilization and barbarism, beauty and ugliness, life and death. His study of classical culture and western mythology led him to depict darkly sublime worlds of violence and madness that intrigue as much as they evoke visceral disgust. This monograph begins with a biography, relating the life of Francis Bacon, his stories and inspirations; before delving into a sharp analysis of his work. Peyré's personal connection with Bacon makes *Francis Bacon* a detailed and touching story, inviting the reader on a philosophical, poetic and artistic stroll through the artist's mind.

Rembrandt, His Life, His Work, and His Time Emile Michel, 1894

Need More Love Aline Kominsky-Crumb, 2007 Aline Kominsky Crumb, one of the earliest female cartoonists, presents a

collection of her own highly inventive and daring artwork over the last four decades, along with unusual photographs and memorabilia.

Robert Longo Robert Longo, Andrew Durbin, 2017 This catalogue focuses on Robert Longo's recent series of charcoal drawings of well-known Abstract Expressionist paintings. Rendered in charcoal, the original paintings are immediately recognizable, but it is the overlooked or imperceptible details of the complex surface, the tactility of the paint, the brushstrokes and the pattern of the canvas that Longo has made visible in his translation from color to black-and-white, paint to charcoal. Exploring his ambivalence toward painting, Longo's drawings address the historical magnitude of Abstract Expressionism in art historical and cultural contexts. Along with the Abstract Expressionist drawings, the book includes Longo's enormous seven-panel drawing of the U.S. Capitol building and a 17-foot high black wax surfaced sculpture of an American flag that appears to collapse into or fall through the floor.
